

Hello,

You're already using Alec in your French immersion classes.
Now, you and your colleagues **can use it in English too:**

- Same educational approach.
- Same classroom-ready activities.

We're offering **complimentary demo access until the end of the school year** for you and any teacher at your school who would like to try it.

If you'd like access, simply **reply to this email or forward it to a colleague** who may be interested. We'll take care of the rest.

Let's make it easy for your whole school to benefit.

Best regards,
The Alec Team
